How did you hear about Lead Western Maine? \_\_\_\_\_

\*\*\*\*\*

1. Please describe the purpose of your group, i.e., “We represent a historical society” or “We are a group of community members interested in starting a local preservation project.”

2. Please describe the project/initiative your group is working on:

3. How long has your group been together?

4. Does your project/initiative have a deadline and if so, when?

5. What strengths, either individually or as a group, do you believe you bring to your work on the project/initiative?

6. What are your group's greatest challenges in your work on the project/initiative?

7. What specific accomplishments on your project/initiative does your group want to achieve during Lead Western Maine?

8. What type of technical assistance do you feel your group could benefit from?

9. Can at least two members of your group commit to attending all six monthly program sessions?

For assistance, contact Kathleen Beauregard, Projects, Grants and Communications Coordinator, Western Mountains Alliance at (207) 778-3885.
